

Dear Parents,

Our school has a NO CHARGE LUNCH POLICY. Each person (students and school employees) has his or her own account in which lunch and breakfast are subtracted. Students and employees may pay daily if needed. However, we strongly encourage everyone to purchase meals in advance to speed and simplify the lunch line. Elementary students will receive a printed paper reminder when a payment is needed.

For students in grades 7-12, meals will be purchased from the elementary secretary and the student will be responsible for their own account. It will be their responsibility to notify their parents when a payment is needed.

**Pre-K through Kindergarten** are the only classes that will participate in the afternoon milk break. There will be a one-time cost of \$35.00 per semester. Milk cost cannot be refunded or transferred to other accounts, such as lunch and breakfast. We ask that milk be purchased at the beginning of school when you purchase lunch and breakfast. **Afternoon milk is not part of the National School Lunch/Breakfast Program.**

The first five days of school, August 9<sup>th</sup>, 10<sup>th</sup>, 13<sup>th</sup>, 14<sup>th</sup> and 15<sup>th</sup>, will be a grace period. Lunches, breakfast and elementary milk may be charged during this time, until purchases can be made. Starting Wednesday, August 16<sup>th</sup> the NO CHARGE POLICY will be in effect.

Many other programs and/or services are funded based on the number of students qualifying for the National School Lunch/Breakfast Program. We ask that **every** family read carefully the attached free/reduced lunch form. If you qualify, not only will you receive financial assistance; the school will also qualify to receive much needed funding assistance. **Meal prices will be as follows:** Student breakfast-\$1.25, student lunch-\$2.20, qualifying reduced student breakfast-\$.30, qualifying reduced student lunch-\$.40, adult breakfast-\$1.50, and adult lunch-\$3.50.

Sincerely,

*Coby Nelson*
