### Vici Schools Student Handbook

The goal of a student handbook is to communicate policy, rules, regulations and accepted procedures to parents, students, and teachers. The Vici Public Schools Student Handbook is provided for you to become familiar with the policies of Vici Public Schools.

By receiving the student handbook, I acknowledge that my child and I have received information concerning the Drug, Alcohol, and Tobacco Policy, the Bullying Policy, and the Threats of Violence and Dangerous Weapons Policy. I further acknowledge that violations in these areas will result in appropriate discipline being administered by school authorities and that such action could even result in expulsion of my child.

Corporal punishment may be used as a disciplinary action. Any use of corporal punishment will require a referral to the appropriate principal prior to the punishment being carried out. The principal will administer or witness the act. Parents who desire that their child not receive corporal punishment must have a signed statement, on file in the principal's office, denying the school the option. Once a signed statement is on file, corporal punishment will not be used for that child. Optional disciplinary actions will then become necessary.

I have received the student handbook and acknowledge that as a student enrolled in Vici Public Schools my child is expected to know and follow the policies, rules, regulations, and accepted procedures of Vici Public Schools.

**PLEASE READ CAREFULLY AND PUT A CHECK BY EACH FORM YOU HAVE COMPLETED AND REPLACED IN PACKET. THEN SIGN BELOW AND RETURN THE PACKET TO THE SCHOOL, WITH YOUR CHILD, BY FRIDAY, AUGUST 14TH. THANK YOU!**
